Unit Aptitudes

Malign Trickery

Once per turn, when an enemy unit ends a Normal, Advance or Fall Back move within 9" of this unit, if this unit is not within Engagement Range of any enemy units, it can make a Normal move of up to D6" as if it were your Movement phase.

Guided by Fate

Each time you make a hit roll of 6+ for a model in this unit (except for the Disc's blades), do not make a wound roll for that attack - it is automatically successful. Saving throws may be attempted against these attacks as normal.

Mark of Tzeentch

Once per turn, the first time a saving throw is failed for this unit, the Damage characteristic of that attack is changed to 0.
