Unit Aptitudes

Techmarine	While this model is within 3" of one or more friendly Adeptus Astartes Vehicle units, this model has the Lone Operative special rule.
Blessing of the Ommissiah	In your Command phase, you can select one friendly Adeptus Astartes Vehicle model within 3" of this model. That model regains up to D3 lost wounds and, until the start of your next Command phase, each time that Vehicle model makes an attack, add 1 to the Hit roll. Each model can only be selected for this special rule once per turn.
Vengeance of the Ommissiah	If a friendly Adeptus Astartes Vehicle model is destroyed within 12" of this model, until the end of the battle, this model's Ommissian power axe has an Attacks characteristic of 7.
Bolster Defences	After deployment, but before Scout redeployments and Infiltrate deployments, nominate one piece of terrain in your deployment zone (this cannot be one you have purchased as part of your army). The terrain piece's cover save is increased by 1 for the duration of the game (to a maximum of 3+). Note that a piece of terrain can only be bolstered once.
Mindlock	While a Techmarine model is leading this unit, improve the BS and WS characteristics of ranged and melee weapons equipped by Astartes Servitor models in this unit by 1 and improve its Initiative characteristic to 4. If it does not contain a Techmarine, an unengaged unit that contains at least one model with this special rule must roll a D6 at the start of its turn. On a 4+, this special rule has no effect this turn. On a 1, 2 or 3, the unit is mindlocked until the start of its following turn. A mindlocked unit may not voluntarily move, shoot or charge, but must still complete compulsory moves, such as Pile In and Fall Back moves.
Servitor Retinue	At the start of the Declare Battle Formations step, this unit can join one other unit from your army that is being led by a Techmarine. If it does, until the end of the battle, every model in this unit counts as being part of that Bodyguard unit, and that Bodyguard unit's Starting Strength is increased accordingly.
