Unit Aptitudes																			
Wisdom of the Ancients (Aura)			While a friendly Adeptus Astartes Infantry unit is within 6" of this model, each time a model in that unit makes an attack, re-roll a Hit roll of 1.																
Even In Death, I Serve			The first time this model is destroyed, remove it from play without resolving its Deadly Demise special rule. Then, at the end of the phase, roll one D6: on a 2+, set this model back-up on the battlefield as close as possible to where it was destroyed and not within Engagement Range of any enemy units, with D6 wounds remaining.																
Lethal Demise			When this model is destroyed, throw one D6 for each units within 6". On a 6, the unit suffers D3 mortal wounds.
