Unit Aptitudes

Thrilling Spectacle	Once per battle, at the start of the Fight phase, this model can use this special rule. When it does, until the end of the phase, the Attacks characteristic of Lelith's blades is increased to 12 and this model's invulnerable save is increased to 3+ (2+ in Fight phase).
Brides of Death	While this model is leading a unit, models in that unit have the Fights First special rule, and each time a model in that unit makes a melee attack, add 1 to the Strength characteristic of that attack and improve the Armour Penetration characteristic of that attack by 1.
A League Apart	This model re-rolls all failed To Hit and To Wound rolls whilst fighting a challenge.
Quicksilver Dodge	This model has a 4+ invulnerable save. This is increased to a 3+ invulnerable save against all Wounds inflicted in the Fight phase.
The Penetrating Blade	Armour saves cannot be taken against Wounds inflicted by this model's Melee weapons.
