Unit Aptitudes																			
Mandiblasters				Melee weapons equipped by the bearer have the Devastating Wounds special rule when targeting units without the Vehicle keyword.															
Shadowstrike				If a unit that consists entirely of models with this special rule infiltrates, it has the Shrouded special rule. If the unit shoots (including Overwatch) or fights in combat, it loses the Shrouded special rule.															
Deadly Ambush				While this unit contains a Striking Scorpion Exarch model and is wholly within an Area Terrain feature, each time a melee attack is made by a model in this unit, add 1 to that attack’s hit roll and improve the Armour Penetration characteristic of that attack by 1.
