Unit Aptitudes

Temple Relics

In your Command phase, if this unit contains one or more Cenobyte Servitor, the unit have the Relics of the Emperor Ascendant special rule as follow (available only if the assocaita Cenobyte Servitor is alive):

- Banner of Fallen Crusaders: This unit is eligible to declare a charge in a turn in which it Rund or Fell Back.
- Remnnant of the Fallen Temple: Models in this unit have the Fearless special rule.
- Sceptre of Anointing: Improve the Armour Penetration characteristic of melee weapons equipped by models in this unit by 1.

Mindlock

While a Techmarine model is leading this unit, improve the BS and WS characteristics of ranged and melee weapons equipped by Astartes Servitor models in this unit by 1 and improve its Initiavite characteristic to 4. If it does not contain a Techmarine, an unengaged unit that contains at least one model with this special rule must roll a D6 at the start of its turn. On a 4+, this special rule has no effect this turn. On a 1, 2 or 3, the unit is mindlocked until the start of its following turn. A mindlocked unit may not voluntarily move, shoot or charge, but must still complete compulsory moves, such as Pile In and Fall Back moves.

Servitor Retinue

At the start of the Declare Battle Formations step, this unit can join one other unit from your army that is being led by a Techmarine. If it does, until the end of the battle, every model in this unit counts as being part of that Bodyguard unit, and that Bodyguard unit's Starting Strength is increased accordingly.
