Unit Aptitudes

Superlative Strategist

Once per turn, you can target this model's unit with a Stratagem even if you have already used that Stratagem on a different unit this phase.

Path of Command

At the start of your Command phase, if this model is on the battlefield, you gain 1CP (You can only gain 1 CP this way, whatever the number of Autarch on the battlefield).

Indomitable Strength of Will (Aura)

While a friendly Aeldari unit is within 6" of this model, each time that unit takes a Battle-shock or Leadership test, add 1 to that test.

Mandiblasters

Melee weapons equipped by the bearer have the **Devastating Wounds** special rule when targeting units without the **Vehicle** keyword.

Ride the Wind

While this model is leading a unit, each time that unit Advances, do not make an Advance roll for it. Instead, until the end of the phase, add 6" to the Move characteristic of models in that unit.

Unit Special Rules

Independent Character / Haywire & Plasma Grenades / Hammer of Wrath / Jink / Relentless / Very Bulky

Psychic Domains

[illegible]
