## Unit Aptitudes

Eviscerating Fly-by

Each time this unit ends a Normal move, you can select one enemy unit (excluding Monster and Vehicle units) that it moved over during that move. If you do, roll one D6 for each model in this unit: for each 4+, that enemy unit suffers 1 mortal wound.

Grav-talon All Hammer of Wrath attacks made by this unit have the Concussive special rule.

Cluster Caltrops This unit makes D6 Hammer of Wrath attacks instead of just one, with the Rending special rule.
