Even In Death, I Serve			The first time this model is destroyed, remove it from play without resolving its Deadly Demise special rule. Then, at the end of the phase, roll one D6: on a 2+, set this model back-up on the battlefield as close as possible to where it was destroyed and not within Engagement Range of any enemy units, with D6 wounds remaining.															
Venerable			If a Venerable Dreadnought suffers a penetrating hit, you can make your opponent re-roll the result on the Vehicle Damage table. You must accept the second result, even if it is worse than the first.
